

Bridge Holidays 2019/2020

Many of the keenest bridge minds in the country regularly enjoy a Bridge holiday at the St. Ives Hotel. We host Bridge breaks for all abilities, ranging from beginners playing for fun to English Bridge Union (EBU) controlled events.

At the St. Ives Hotel we welcome bookings in pairs but will gladly find partners for individuals. The atmosphere in the cards room is sociable yet competitive, with advice to improve your skills, mainly partner with some team play, a mix of Contract Bridge and Duplicate Bridge games and both afternoon and evening card sessions.

Complimentary tea, coffee and soft drinks are served during play and prizes are presented to the winners.

The St. Ives Hotel enjoys a prime seafront location just a stroll away from the golden sand on the Lytham St. Annes promenade and is conveniently situated for easy access to many local attractions. Just a short drive from the M55 motorway, Blackpool airport and rail station, the St Ives is the ideal location for visiting or staying on the Fylde Coats.

We offer a comfortable and friendly stay to all our guests. Bedrooms have en-suite facilities, showers, direct dial telephones, free wireless broadband access, workstations and satellite TV/radio.

Full English breakfast is included and served daily from 7am - 10:30am; we also offer an early riser continental breakfast before 7am if requested. Our Carvery Restaurant provides freshly prepared meals and the buffet offers roast meats, fish and vegetarian dishes every morning.

Relaxing in the hotel can be enhanced by a swim in the heated pool or by taking it easy in the sauna. Both facilities are available 8am - 10pm daily. Why not arrange an appointment in our salon to enjoy some well deserved pampering.

The hotel's lounges and bars serve refreshments throughout the day and FREE WiFi is available.
